Leadership is Learnable

- Five key behaviors build the relationship between leaders and their followers (called *members* in social science)
- Five Star Leadership® researchers have identified these behaviors and created programs to develop them in anyone who wants to be a better leader or work with their leader more effectively

It Takes Two! Workshop

- Designed to deliver better teamwork
- For the team member
- Individualized goals and implementation plans
- One full day

It Takes Two! Workshop Agenda

- Pre-workshop scoring
 - Self
 - Optional – Team Leader
 - Optional – Other team members

- Change Goals

- Change Plan

Continual Follow-up

- Q&A sessions
- Coaching
- Team Discussions
- Organizational Review

FAQs

- Is a day (too much) (too little) time for a workshop?
- What is the “atmosphere” of the workshop (formal, casual, etc..)?
- Where can I read up on this behavioral approach to leadership?
- Who runs the workshop?
- What is the organization behind these workshops?
